

Testimonials:

My photo session was one of the best things that has ever happened to me for my self esteem. —Dr. Joan Cohen

Daphne you truly have a gift- you gave me something I have searched for—confidence in finding out who I am and being happy and proud of myself- Words can't express my gratitude.—Karen March

Paul Lynde, Hollywood Squares

"I would really like to have a photograph of myself with my dog for a new PR picture." Paul's response to was "Daphne, you have captured me the way I want to be remembered".

Jacqueline Stallone

"Daphne you are truly a miracle worker. I am so proud and happy to call you my friend and my personal photographer."

Joyce Kulhawik-CBS Affiliate

Entertainment Reporter

"The portrait you did remains one of the best pictures of me ever." (created for Evening Magazine)

Sara Edwards- Evening Magazine

Daphne worked a miracle and my fantasy was captured forever...and now I have a permanent reminder that fantasies can come true.

Krista Miller-a client

My photo shoot far surpasses my original expectations- It's a place I can go back to in my mind and visually feel beautiful, sensual, powerful and know it is all possible with a phone call and a trip down the street to a studio filled with wonderful women who help make it so.

Have you always wanted to look fantastic in your photos, but think that you can't take a good picture?

We are beyond your average studio as are our clients.

- Come into our relaxed and comfortable environment.
- Feel special and experience a day you won't forget.
- Leave with beautiful photographs for You or Someone Special.
- Learn Beauty Techniques you can use always to look great.

As a former model and world renowned professional photographer for over 25 years, Daphne has worked on both sides of the camera and knows the trade secrets of the stars

She works from her soul, combining her intuitive ability and artistic creativity to transform her clients into whatever their inner spirit needs to express.

As seen on Local and National TV

Before

After

Together with our team of female stylists, make-up artists and hairdressers we can create "Town & Country", "Cosmopolitan", "Victoria Secret" or even "Playboy" fantasy photographs for you.

- Boudoir/Glamour
- Fantasy "Gift of Love"
- Nudes
- Online-Dating
- Mother & Child Portraits
- Pets
- Pregnancy Memories
- Business Portraits

The sessions can last from a couple of hours to all day. We offer you a time of pampering where you will experience your total fantasy combining makeup, relaxation, self realization, feeling beautiful and photographic artistry.
